

Füsun Sayek
Association for the Development of Health and Education

Dear Donor,

April 25, 2023

We sincerely thank you for your donation to our Earthquake Relief Fund.

As Füsün Sayek Association for the Development of Health and Education, we have been working on the field since the first day of the devastating earthquakes. We continue to distribute various products that we purchased with the help of your donations, in accordance with the changing needs, in coordination with the local administration. You can follow our current activities on our social media accounts and website. (*instagram @fusunsayeketkinlikleri twitter @fusunsayekorg facebook @fusunsayek*)

Thank you again for your support and contribution and we wish you good health and safety,
Prof. Dr. İskender Sayek
Founder & Chair
Füsün Sayek Health and Education Development Association - Arsuz, Hatay

Our Earthquake Relief Activities

Shelter & Food & Hygiene & Supplies

- We distributed 2250 food parcels, 190 tents, 360 heaters, 200 wood stoves; purchased through donations made to our association. We are coordinating, sorting and distributing different needs such as tents, sleeping bags, hygiene materials, clothes, dry food, ready-to-eat food, water, heaters, portable toilets, generators donated by individuals and institutions.
- Women's Market Project:** We distributed 1500 hygiene kits to women in Arsuz rural areas and tent cities.
- Village Laundry Project:** We are building 6 laundries at tent cities and rural areas of Arsuz, with the support of Arçelik and in collaboration with Arsuz Municipality.
- We distributed 500 food parcels that we purchased with the grant support of **Kahramanmaraş Earthquake Small Support Fund**, which was implemented by the Support Foundation for Civil Society (Sivil Toplum için Destek Vakfı) and Mozaik Foundation as part of the 3rd and final cohort of the Small Grants Program, given to 11 NGO's active in the field.
- 100 adult wheelchairs, 10 children's wheelchairs, 30 pairs of canedian crutches, 30 walkers**, purchased through donations made to our association, were delivered to the World Federation without Barriers (Engelsiz Dünya Federasyonu, Arsuz). We continue to work in line with the needs of people with disabilities.

Field Kitchens

- We provide a total of 2000 hot meals a day at the **Arsuz Field Kitchen**, which we established in cooperation with Şişli Municipality in Arsuz Old Village Center.
- With the support of Iskenderun Chamber of Shipping and Antalya Chamber of Shipping, 1000 hot meals were sent to the Madenli region every day from the kitchen ship established in Hado Madenli Port during the week following the earthquake.

Earthquake Student Support Fund

- There were over 1650 applications for the **Student Earthquake Support**, which was granted to higher education students in the disaster zone and who are affected by the earthquake. With the contributions of many of our donors, we increased the Earthquake Support from 250 students to 500 students and now to a total of 616 students.

Trauma Education

- We organized a **Teacher Empowerment Training Program** for teachers working in schools in 38 neighborhoods of Arsuz, Hatay. The program took place online in 4 modules including Trauma Education, Communication with Students after the Earthquake, Self-Care on March 9-10-11, 2023.

Children's Activities

- Art Workshops** We continue to organize art workshops for pre-school children with volunteer teachers and child development experts in the children's play container in Arsuz Old Village.
- We organized the **Arsuz Children's Festival** in cooperation with Arsuz Municipality and Şişli Municipality on April 23, National Sovereignty and Children's Day. The Festival program included a movie screening, Aylaklar concert and various craft workshops such as painting, kite making and stone painting.

Community Center

- We are working on projects to provide long-term support to our crisis-stricken community, mainly women and children. One of our projects is a resilient community center that will serve as a hub for our crisis-stricken community's recovery efforts. We plan to establish a community center in Arsuz, with a program of cultural and educational activities for children, women, and families, including workshops, classes, events, counselling, mental health support.
